I have read the NDAC mission and goals along with the facility rules. I understand that I am responsible for the conduct of my child(ren) at all NDAC activities. I agree to support NDAC in their mission and goals. I am willing to volunteer to assist at meets, practices and to help support fundraising activities for the team. I understand that each family is expected to join at least one committee to assist with the running of the team. If I have not chosen a committee, I understand I will be assigned to a committee. I understand I must pay \$55/swimmer to hold a spot on the team in the fall. This amount will be credited to my fall registration fee and is only refundable if I notify NDAC in writing, by September 1, 2008 that a swimmer is not returning.
